

FISCAL NOTE

HB 1146 - SB 1549

April 10, 2003

SUMMARY OF BILL: Deletes the words, "subject to the availability of adequate funding through grants and private contributions and without use of state resources," from TCA 3-15-901 relative to the Commission on Responsible Fatherhood.

ESTIMATED FISCAL IMPACT:

MINIMAL

It is assumed that the provisions of this bill would allow the Commission to be formed and allow members to be appointed before adequate funding is secured. The provisions of this bill would not change the provision in current law that allows the Commission to operate only to the extent adequate funding is secured through grants or private contributions, which shall not be derived from state resources.
